

**UNITED STATES MISSION TO THE UNITED NATIONS  
NEW YORK**

April 25, 2019

HC-32-19

The United States Mission to the United Nations presents its compliments to the Permanent Missions and Observer Offices to the United Nations and has the honor to inform them of the changes to the United States Mission's briefing on diplomatic and official visas. This circular note supersedes HC-28-19 dated April 16, 2019. The briefing will now be held at the United Nations Economic and Social Council Chamber on Thursday, May 16, 2019 from 3:00 p.m. to 4:30 p.m.

As a reminder, the following topics will be discussed: procedures for visa renewals, change of status within the United States, eligibility of dependent visa, overage dependents and children born to diplomats and non-diplomats in the United States. The United States Mission, therefore, urges the Permanent Missions and Observer Offices to send up to two appropriate representatives handling visa administration to this briefing. The briefing will strictly focus on processing of visas, not policy. Please provide the name, title and contact information of the representative(s) attending the briefing by email to [usunvisas@state.gov](mailto:usunvisas@state.gov) by May 3, 2019. In addition, please include one or two general questions or concerns to be addressed at the briefing.

The United States Mission to the United Nations avails itself of this opportunity to renew to the Permanent Missions and Observer Offices to the United Nations the assurances of its highest consideration.
